Subject: [External] Docket 2019-281-S, Request for Public Hearing

To the Office of Regulatory Staff at the Public Service Commission,

On behalf of myself, Lori Edwards, Ashley Foster, Christy Morrabal-Ortiz, Mahtab Gowan and others unnamed herein, I request that a public hearing on Palmetto Utilities' rate increase request be held in the evening in Northeast Richland within a 5 mile radius of Longcreek Plantation in Blythewood, SC. 29016.

The reason for the specific distance is because many residents have school age children. Traveling far distances in the evening poses extended time away from family responsibilities on a weekday night.

Thank you for your attention to this matter.

With kindest regards,
Lisa Levine
